#### C. D. RICKMAN FOR COUNTY COMMISSIONER.

In the announcement column of the Current may be found the announcement of "Dugan" Rickman, as he is familiarly known by his many friends, for the office of county commissioner from District No. 1. Mr. Rickman is an old timer in Eddy county, having come here about twenty-two years ago and started to work in the Joyce-Pruit company mercantile establishment, where he held a good position until going into business for himself in company with A. C. Shelby under the firm name of Shelby & Rickman, doing a retail grocery business. He retired from that business about ten years ago and engaged for the most part in farming operations in the lower valley. However, he has had some livestock interests as well as working as an accountant and bookkeeper at different times and for the past two years being bookkeeper during growing season for the Loving gin and buying some cotton on the side. Mr. Rickman is a native of Tennessee and has been noted for his energy, good business judgment and ability to make and retail in his possession some of this world's goods. His ability to serve the taxpayers efficiently in the office of county commissioner is unquestioned, for he already has a good knowledge of how the affairs of the county are run and should be run, gained by his experience while working in almost all of the county offices from time to time as an expert accountant. It is customary to call on him when an intricate adjustment of taxes or a reassessment is ordered by the state tax commission. He made good in every instance and the way he conducts his personal affairs is assurance that he will conduct the office of county commissioner in a most efficient manner.

Sam Riley and wife and baby and the mother of Mrs. Riley, Mrs. Couch, were in town this week from their home on the Plains, coming for a visit with Mr. Couch, who is at the Eddy County hospital.

Melvin Bearup is in from his goat ranch in the mountains, coming Wednesday.

#### J. T. COOPER ANNOUNCES FOR SHERIFF OF EDDY COUNTY.

An announcement which has been looked for by the friends of J. T. (Uncle Tom) Cooper appears in our regular announcement column this week for the first time.

Uncle Tom says his friends throughout the county would not be satisfied until he got into the race, although it took him quite a while to make up his mind.

Uncle Tom also says that if elected he will assure every voter in the county that no person kin to him will ever be appointed deputy as long as he holds the office.

Uncle Tom's qualifications to perform the duties involved in the sheriff's office are unquestioned as he has had wide and varied experiences as a peace officer and if he had not had a cool head and nerve of steel he would not now be asking for the sheriff's office. He served as deputy sheriff for twelve years at Rapides Parish, Louisiana, his native state, and has been a peace officer for the greater part of his life. He was deputy sheriff for fifteen months during the administration of J. N. Howitt and served as a special deputy under Sheriff M. C. Stewart. While working under these sheriffs he was placed in dangerous positions many times but always got his man.

Uncle Tom has also had experience in clerical work, having served as deputy in the office of County Treasurer W. H. Merchant and having assessed the county as special deputy five times. Aside from being in the employ of the county at different times, he has been engaged in the leather, hardware and dry goods businesses in Carlsbad.

Uncle Tom was born in Alexander, Louisiana, and came to Eddy county about thirty years ago, being one of the old timers of this section, but he is strong, healthy and active and with his wide experience as a peace officer would cause to voters no regrets at placing him in that office.

Sam Moskin mourns the loss of a saddle which was taken from in front of his store some time during the day yesterday. Some one pretty bold, or pretty needy, or both, to take a saddle in broad daylight.

Mrs. J. A. Dean, mother of Mrs. Lee Middleton, returned to her home in Uvalde, Texas, Saturday, after spending several weeks at the home of her daughter.

Mrs. Clay Lemon and daughter, Ida Bee, came down from Roswell and have spent the days since Sunday with relatives and friends here.

#### BAPTIST DOINGS.

Baptist people of this city have ever been foremost in good works, but this week they have been a little more active than usual; a number of church and Sunday school affairs have been held, which were well attended and pleasant. Among others, was a meeting at the church parlors of the two classes of juveniles, taught by Miss Isabelle Smith and Miss Lucille Pond, respectively. These young girls, with a zeal worthy of imitation, had made extensive preparations for the pleasure of the little girls and boys. The room was tastefully decorated in the national colors, and red, white and blue caps were the favors, accompanied by a small flag, thus stressing the Washington Day idea. Suitable refreshments and games closed the afternoon Monday.

Class No. 4 taught by Miss Sue Chilcoat, was given a similar party at the Chilcoat home Wednesday. Refreshments were served and a good time is reported.

Thursday night was the regular class party given by members of the young people's class of which H. M. Chilcoat is teacher. The young folk had a profitable meeting together and planned many things for the advancement of the class and school, both as regards numbers and interest. An all day quilting rounded up the social events of the church for the week. It was held yesterday at the home of Mrs. Nellie White, the ladies carrying their noon day lunch with them and working at a quilt which was finished and will be sent to the Baptist Hospital, at Clovis.
